USE OF PHOTOGRAPHY

The use of photography on the church website and printed flyers is important. We want to celebrate the life of the church. To do that well, we want to use photographs and other visuals as necessary. Therefore we will

- As far as we can be aware, not put anyone at risk by publishing their photograph
- Use good quality photographs that we believe are, clear, uncluttered, and of interest
- If you ask us to specifically remove an image we will do so as soon as possible
- We will respect people's wishes concerning their image being used in church publicity
